YORK EXPERIENCE HOSPITALITY PACKAGES

Europe's first ever pop-up Shakespearean Theatre,
Shakespeare's Rose Theatre comes to the
heart of historic York this summer, from
25 June to 2 September.

Set within a vibrant 'Shakespeare's Village', the 13-sided traditional Elizabethan theatre offers three tiers of covered seating for 600 and an open courtyard for 350 standing 'groundlings', enabling audiences to step back in time and enjoy Shakespeare as it was in his day.

Four of William Shakespeare's greatest plays will be performed –

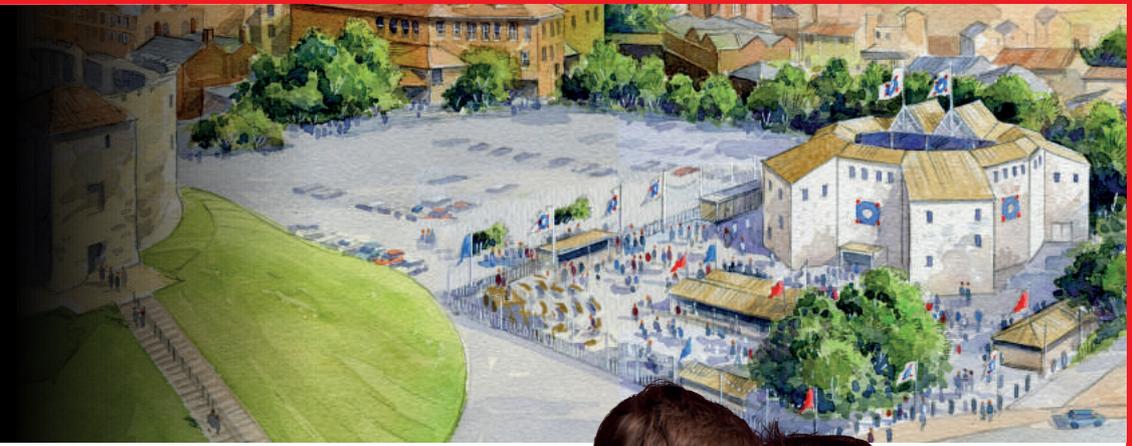

A Midsummer Night's Dream and *Macbeth* are to be directed by Damien Cruden and Juliet Forster from York Theatre Royal, while the West End's renowned Lindsay Posner will direct *Romeo and Juliet* and *Richard III*.

Shakespeare's Rose Theatre offers a very different and exciting opportunity for entertaining clients, staff or even just treating yourself for a special occasion. We have created '**The York Experience**' as a 'premium' package, where you can enjoy the best seats in the house, right beside the stage, putting you at the heart of the drama.
